**REQUEST FOR RECONSIDERATION OF DECISION ON PETITION  
TO WITHDRAW FROM RECORD**

This communication constitutes a request for reconsideration of a decision mailed February 19<sup>th</sup>, 2008 in the above mentioned patent application for withdrawal from record under 37 CFR paragraph 1.36(b). The request was not approved since the petitioner did not specify whether the request was mandatory or permissive under which of the plurality of reasons enumerated in 37 CFR 10.40. In response thereto, the Applicant hereby submits that continued employment is likely to result in violation of a disciplinary rule. The request therefore constitutes a request under 37 CFR 10.40(c)(2) for permissive withdrawal. The disciplinary rule which would likely be violated is rule number 37 CFR 10.23(a). For further details please refer to the previous request giving specifics regarding pertinent facts of the case. Reconsideration and approval is therefore requested.
